

Appendix I - Sample of Student Transcript

Academic Transcript of Undergraduate Student of Shanghai University of Engineering Science

(2019-2020, 1st semester)

School: Urban Rail Transportation Program: Vehicle Engineering (Rail Transit Vehicle)

Student ID: 101117315 Name: XU Xiefeng

Elective CP: 24 Actual CP: 24 Grade Point Average: 3.31

Module designation	Credit points	Mark	GP	Note
Construction and Principle of Urban Railway Vehicle	2	88	3.70	
Hydraulic and Pneumatic Transmission	2	A-	3.70	
Introduction to Mao Zedong Thoughts and the Theoretical System of Socialism with Chinese Characteristics (1)	3	A-	3.70	
Practicum for Mechanical Design	2	B	3.00	
Electrical Traction and Control of Urban Railway Vehicle	2	67	2.00	
Cognition Practice of Urban Railway Vehicle	1	A	4.00	
Engineering Materials	2	A-	3.70	
Mechanical Design	4	85	3.70	
Finite Element Analysis	2	A	4.00	
Interchangeability and Technical Measurement	2	A-	3.70	
Microcomputer Principle and Interface Technology	2	D	1.00	

Note

1. Transcripts must not be altered, or they will be invalid.
2. Transcripts must be stamped by the school in order to be valid.
3. Transcripts should be kept in a safe place for reference.

Appendix I - Sample of Student Transcript

Academic Transcript of Undergraduate Student of Shanghai University of Engineering Science

(2019-2020, 2nd semester)

School: Urban Rail Transportation Program: Vehicle Engineering (Rail Transit Vehicle)

Student ID: 101117315 Name: XU Xiefeng

Elective CP: 16 Actual CP: 16 Grade Point Average: 3.58

Module designation	Credit points	Mark	GP	Note
Braking Technique of Urban Railway Vehicle	2	A-	3.70	
Introduction to Mao Zedong Thoughts and the Theoretical System of Socialism with Chinese Characteristics (2)	2	91	4.00	
Project Management	2	B-	2.70	
Electrical Equipment of Urban Railway Vehicle	2	89	3.70	
Driving Simulation Experiments of Urban Railway Vehicle	1	C+	2.30	
Electrical Traction and Control Experiments of Urban Railway Vehicle	1	B	3.00	
Network Control Technology of Urban Railway Train	2	A	4.00	
Maintenance Technology of Urban Railway Vehicle	2	A-	3.70	
Traffic Signal for Urban Railway Transportation	2	A	4.00	

Note

1. Transcripts must not be altered, or they will be invalid.
2. Transcripts must be stamped by the school in order to be valid.
3. Transcripts should be kept in a safe place for reference.

Academic Transcript of Undergraduate Student of Shanghai University of Engineering Science

(2019-2020, 2nd semester)

School: Urban Rail Transportation Program: Vehicle Engineering (Rail Transit Vehicle)

Student ID: 101117315 Name: XU Xiefeng

Elective CP: 17 Actual CP: 17 Grade Point Average: 3.58

Module designation	Credit points	Nature	Mark	GP	Note
Braking Technique of Urban Railway Vehicle	2	Core course	A-	3.70	
Introduction to Mao Zedong Thoughts and the Theoretical System of Socialism with Chinese Characteristics (2)	2	Common compulsory course	91	4.00	
Project Management	2	Core elective course	B-	2.70	
Electrical Equipment of Urban Railway Vehicle	2	Core elective course	89	3.70	
Driving Simulation Experiments of Urban Railway Vehicle	1	Intensive practice sessions	C+	2.30	
Electrical Traction and Control Experiments of Urban Railway Vehicle	1	Intensive practice sessions	B	3.00	
Network Control Technology of Urban Railway Train	2	Core course	A	4.00	
Maintenance Technology of Urban Railway Vehicle	2	Core elective course	A-	3.70	
Traffic Signal for Urban Railway Transportation	2	Core elective course	A	4.00	

Note

1. Transcripts must not be altered, or they will be invalid.
2. Transcripts must be stamped by the school in order to be valid.
3. Transcripts should be kept in a safe place for reference.
